Good Times

Dinner at the

April 1965

Foreword

As students and individuals, our lives are conditioned by experiences, personal contacts, and the knowledge we have acquired throughout our school years. Every new term played its part in adding to our store of "building blocks" of knowledge, and of worth-while experiences. Each section of worth-while experiences. Each section of this 1965 President represents one of these important "building blocks".

Faculty members have always played an important part in our total school life. Theirs is the responsibility of guiding and teaching each of us as an individual, as well as exposing us to those "building blocks" that represent values and standards by which we all live.

At the top of the four levels of achievement is the Senior Class, and only as a result of countless hours of effort on the part of each member did he survive scholastically up to this point. These Seniors should serve as an inspiration to all lower classmen who must realize that they will soon be making their own way in this work-a-day world. They must also realize that the various courses and extra-curricular activities are important "building blocks" in preparing them to meet the challenge of living.

All clubs and organizations, as well as the activities pictured in the feature section, provide experiences in working cooperatively toward acceptable objectives. Here our efforts with "building blocks" are, in some ways, different from those in the class room, but they can be, in every sense, just as meaningful.

We cannot overlook the many contributions made by sports, whether they be in the form of actual participation, or just as interested spectators. Here, lessons learned in sportsmanship are the important "building blocks" that carry over into adulthood. How well we learn these lessons determines our relationships with those around us.

All structures of any kind must have a solid foundation upon which they stand, and among the "building blocks" supporting the 1965 President are the very important ones representing the advertisers. The yearbook staff gratefully expresses its thanks to all individuals and concerns who have shown a concrete interest in this book.

With all these thoughts in mind, the 1965 President staff hopes that each of you will enjoy every moment you spend with the following "building blocks".

January Class History

Just remember in February, 1961, not so long ago,
we came to Wilson, not in the Know—
as Freshmen we began our high school career,
with Dick Lasting as SCA president and others giving us hope and cheer—
this was the year our basketball team made each game an impressive event,
and at the end of the season went to the State Tournament—

Autumn of '61 when back to books we were greeted,
The football players of our class helped make the JV's go undefeated—
Our school motto made good sense,
"Total Excellence Through Individual Excellence".

Now we came back from the summer of '62,
As high sophomores at our good ole orange and blue—
Our football team had a 7-3 record which made us proud from head to foot,
Into the Office of SCA president Julia Dorsey Reed we did put—
"Work and Win Through Honor and Scholarship" became our goal,
Toni Williams our Homecoming Queen, sure fitted the mold—

Using our credit cards to buy our class ring,
When they arrived, boy, did we sing!
We took an active part in clubs and Hi-Y's,
With Elwood Owens our SCA president, all you gals and guys—
Our fighting Presidents, how hard they worked no one has to guess,

As Larry Davis led the team to near perfect success—
While in class we studied of Washington's and Lincoln's,
And at Homecoming our Queen was Annette Jenkins—
"Character and Scholarship" in the form of an original seal,
Made us work hard with added zeal—

Roaring back for our last ½ year,
With the sound of the Graduation March in our ear—
It was the boys in our class—Baker, Edwards, Rhodes, Coleman, and Vincent—
who led our eleven through the football season,
To shout for the team we had every good reason—
This year we worked on the Homecoming floats,
And Queen Avenell Harrington received our votes—
Bobby Heely was president of the SCA,
He did his best in every way—
Jim White was our 4B Class President, who had a lot to do,
As we ordered announcements, planned for the Banquet, and took pictures too—

Yes as our class graduates we'll shed many tears,
But we'll always cherish the memory of these past years—
To future Wilson High School students let us leave,
This message which you can surely believe—
If you will benefit from your education,
A good lesson in life you will have won—

Kenny Clontz, Jimmy Guyot, Wayne Allen

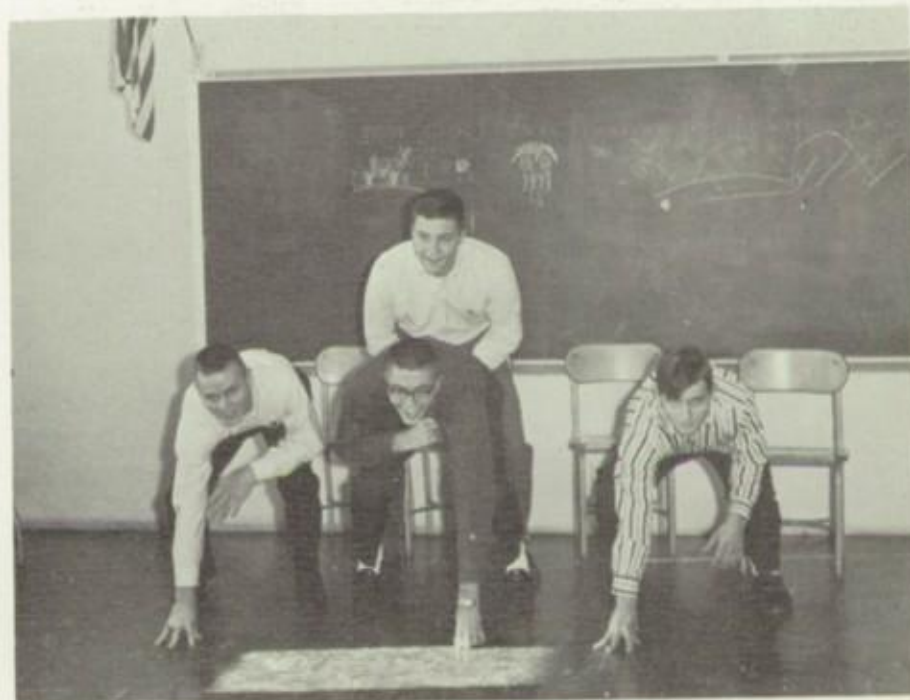

- I, WAYNE ALLEN, a healthy but thin specimen, leave to Patty Owens the privilege of being a senior and to carry her nose high.
- I, CHARLES ARCHER, being of strong heart and feeble brain, leave all my worldly goods to the one and only "Gloria Ferrell".
- I, RONNIE BAKER, being of tired body and over-worked mind, do gladly leave Wilson and its confusion with hopes of a brighter future.
- I, ROBERT BALDERSON, being of sound mind and body, leave to a freshman my parking space in the parking lot.
- I, ARTHUR BARNES, being of sound (?) mind and body, leave four years of fun to some freshman who doesn't know any better.
- I, DIANA BENSON, do hereby leave to Mrs. Howard a "swinging" homeroom and to Coach Mounie, a "great" wrestling team.
- I, GAIL BERRY, being of sound mind and (I guess) sound body, do hereby leave to my little brother four years at Wilson.
- I, DONNA BURKE, do hereby leave to Donna Morgan and to John Blackman the ability to graduate within the next five years.
- I, WAYNE BURTON, being of "flabby" body and weak mind, leave to a lucky (?) freshman the chance to chew gum and skip lunch for four great years.
- I, GARLAND BUTLER, having Miss Pool for registration for four years, do leave my sincere thanks to all who helped me, especially Mrs. Howard.
- I, BARBARA CASTELLANOS, leave to Brent nothing, because I am taking all the memories with me and to E.C.H., many thanks.
- I, KENNETH CLONTZ, of sound mind and body leave to some deserving freshman four wonderful years at Wilson.
- I, ROBERT COLEMAN, being of sound mind and sprained muscles do hereby leave Wilson in the hopes Jan and I can make it through college together!!
- I, LINDA COOPER, being of sound mind and body, do hereby leave Wilson and to some lucky freshman the ability to graduate.
- I, WILLIAM CROSS, do hereby leave four years of hard work to some eager freshman.

- I, J.B. EDWARDS, leave not quite as good a record to the next football team and a lot of fun at Wilson.
- I, YVONNE EURE, being of questionable mind and feeble body, leave to some lucky girl four wonderful years at Wilson full of toil and fun.
- I, CHARLES EVERS, being of sound mind and loose body, do hereby leave to all the freshmen four years of skipping and going to lunch once in a while.
- I, RONNIE FERGUSON, being of sound mind and dilapidated body, leave to M.O.P. my locker in its entirety.
- I, STEVE FOREHAND, being of not so sound mind and questionably sound body, do hereby leave four very long years to some undeserving freshman. 'Bye!!!
- I, CHARLIE GASKINS, being of brilliant mind and small body, leave to "Cho-Cho" all my love and the good times at Wilson. To new band members, exhaustion.
- I, MARGARET GILPIN, being of uncertain mind and slim body do hereby leave dear "Ole" Wilson High, and all the good memories that I will take with me, at last!
- I, JIMMY GUYOT, being of insane mind and exhausted body, do hereby leave Carol to all the fun at Wilson.
- I, JOHNNY GUYOT, being of weird mind and funny looking body, leave the unanswered question, does the Dempsey Dumpster pick up or deliver to the cafeteria?
- I, RODGER HARCUM, being a nervous guy and a physical wreck, leave this school to all my buddies to keep it clean like I did.
- I, LINDA HOLDERFIELD, leave to Coach Mounie a wonderful wrestling team, especially in the 120 weight class.
- I, STEVE HUGHES, being of unsound mind and decayed body do hereby leave to the upcoming freshmen, absolutely nothing. So long, farewell, bye, and hasta luego.

- I, JOAN KISER, hereby leave Wilson to Wayne for another semester and to D.C. the ability to "try" to get him during that time.
- I, THOMAS LILES, being of questionably sound mind and relatively sound body do hereby bequeath to Paula Jean Sturgis, ME!
- I, MIKE MARTIN, being of unthinkable mind and wishful body, leave Wilson in hopes that the football team can help Hodges learn the plays and at last "I LEAVE".
- I, EARL MATHEWS, do leave—finally!
- I, WILLIAM MCGINLEY, leave to my brother, Ray, four years of the joy I shared at Wilson High.
- I, JAMES McMANIS, being of unsound body and unstable morals, leave to any other fool the thrill of being a star—and leave Wilson's thrills to my ?loving? sister!
- I, STANLEY MOORE, being of weak body and dilapidated mind, do hereby leave to Ann Edwards the ability to sleep 15 minutes longer each morning.
- I, CAROL MORSE, leave, to some freshman, all the great times I've had, to Lynn Rountree, the ability to graduate in four years.
- I, JUDY OWENS, being of weak mind and small body, do leave Sherry Brooks at Wilson with all of her friends and the Tuesday Night Group.
- I, MARSHA POPE, being of vacant mind, do leave to some very lucky people the desks I had in Mr. Butler's and Mr. Hoofy's classes.

- I, SCOTT RHODES, being of spectacular mind and body, leave Bod the ability to go West Point and beat Navy.
- I, TOMMY ROBERTSON, being of sound mind and body, hereby leave to Sylvia a great senior year, and to some lucky freshman four years of hard work and fun.
- I, RICHARD RYALS, having been brainwashed and starved, leave to my sister some Sugar Crisp to keep her going.
- I, HERBERT SHARPE, being of sound body and enchanted mind, do hereby leave to my cousin, "Rusty", the ability to concentrate on his studies, which I could never do.
- I, STEVE SIMPSON, being of very feeble mind and unsound body leave four years of fun and being late to every class and trying to explain why.
- I, DAVID SIPES, being of questionable mind and unsound body, do leave to Dickie Williams the ability to graduate from Wilson.
- I, HAROLD SMITH, leave four wonderful years at Wilson with those people "who really know how to hurt a guy" and J.W., R.W., and L.M.
- I, LINWOOD STRONG, leave the following to the students of Woodrow Wilson High School: detentions, assemblies, and Mrs. Hinton's chemistry class.
- I, DAVID SUTTON, leave many teachers whose teaching may have "done me in". I have benefitted much from their knowledge (really) and wish I could have done better.
- I, BRENDA TINLEY, do hereby leave Donaldson, and "Red", one half year without me. To "Red" my locker and to Duck no more "Bird" problems.
- I, RICHARD VINCENT, being of strong mind and weak body, leave to some freshman my treasured seat in B-201.
- I, CAROLYN WHITE, being of withered mind and desecrated body leave to every remaining student the ability to have as much fun as I did.
- I, JIM WHITE, simply being, do hereby bequeath to anyone who wants them, four years.
- I, EDWARD WILLIAMSON, being of unsound mind, body, and soul do hereby leave to each and everyone absolutely nothing.
- I, GARY WINSLOW, being of sound body and weak mind, do hereby leave to the students at Wilson the fun of learning.
- I, JANE WISEMAN, do hereby bequeath to all band freshmen four years of tired feet, and to some lucky girl, the joy of being Charlie's "little sister".
- I, ARNOLD ZEDD, thank my teachers for putting up with me and to my brother, Michael, I leave four great years at Wilson.

June Class History

Remember 1961? That was the year we gave up our Harry Hunt status and became "big-time freshmen" at Wilson. Many days have passed since we first wandered, bewildered and lost, through these hallowed halls.

In our first year Wilson gained three new things; the Class of '65 (Us), the Class of '66, and "E" section. Then big excitement came with that now famous bomb scare of 1962, it almost started things off with a *bang*! After that things settled down, and we cheered our team on, voted in our first Homecoming election, saw Freddie Sue Turner crowned Queen. Then before we knew it, it was Christmas, and we decorated baskets, bulletin boards, and went to our first Christmas Assemblies—a very memorable one! Then came exams—never ending exams! But we made it and before we could say "Class of '65" twice, it was June and they were here again; but they brought the summer vacation with them and we began anticipating the joys of being a SOPHOMORE!

When we returned that fall, 1962, we witnessed the incoming of the new Wilson's first female S.C.A. president in the person of Julia Dorsey Reed. This year our homecoming queen was the beautiful Toni Williams. This was also the year that Cradock invaded our premises, smearing paint on the main sidewalk, leaving "tombstones" for the football players in the lobby, and "pro-Cradock" handbills in our lockers, on the night before our big Thanksgiving game.

Time passed quickly and it was spring again. This year we were really excited because for the first time in many years we were to have a Freshman-Sophomore Dance. So on the night after the Junior-Senior, we had our "big night" in "Camelot" and what a wonderful night it was! Then we watched the Seniors cavort through Wilson's last Baby Day.

In addition to all these things, we dissected frogs, read *Silas Marner*, still found time to cheer our teams on to victory, attend school dances, and see several of our classmates play in "The Curious Savage" ... another great year!

Fall of 1963 ... Juniors! Upperclassmen at last! This year we were to be lead by S.C.A. President, Elwood Owens, and we were more interested in all the activities as members of our class took leading roles.

This year was ushered in with Homecoming preparations. Then our very regal Queen, Annette Jenkins and our lovely Maid of Honor, Delores Batkins (from our class) greeted the "rough and tough" football team of 1937½-38 at a rousing assembly, emceed by "Abe" Goldblatt.

This was the year of the Beatle craze and the big thing with the boys was the Beatle haircut and the favorite word with the girls was "Ringo". The sounds of the now famous foursome from Liverpool could be heard at almost any place—day or night.

When spring came we all worked hard on the Junior-Senior, trying to find rickshaws and cherry blossoms. Then on the big night we danced to heavenly music in an "Oriental Paradise".

A few weeks later we got our brand new 1964 *President* and said good-bye to all our Senior friends.

There was only one thing that marred the happiness of this year—the tragic death of our President, John F. Kennedy.

When we walked through the main doors last September we were SENIORS. Members of our class were in many of the big positions of the School. Bob Heely, one of our own, led the S.C.A. while another of our class, Avenell Harrington, reigned as Homecoming Queen. We rejoiced with her and all of the Alumni as we watched the Prexies beat the Smith Tigers, giving the District Champs their only loss.

The U.S. Presidential election was the big thing and the newly formed Republican and Democrat Club members battled it out, almost as much as the candidates.

Then the rush began, we attended club meetings, some of the last for us as students, hurried to order calling cards and announcements, pay our class dues, and fulfill other obligations which would prepare for our "Grand" exit from high school.

Now June is here and we are stepping into a new realm of life and whether it be college or career, we are taking with us four of the best years of our lives and pledging to you Wilson "Honor, faith, and deep devotion".

And so we leave you with many fond memories.

"Nancy - you should be paying attention to Charley!"

"Carol Barnes, Cheryl Williams, Nina Hopewell and Jean Breedlove were all set for the camera, but we can't say the same for Ronnie Wagner. This was in Reg. B208!"

"Gerald, you better watch out! Teachers have eyes in the back of their heads!"

All senior math classes are not quite this small!

Almost all of Mrs. Newcome's accelerated seniors appear occupied!

"Patience! Miss Jenkins will get around to checking your progress!"

Happiness is . . .

Ordering Senior calling cards ...

... finishing that Senior theme in time ...

... trying out for the Senior Class Play ...

... having the State Basketball Champions at Wilson ...

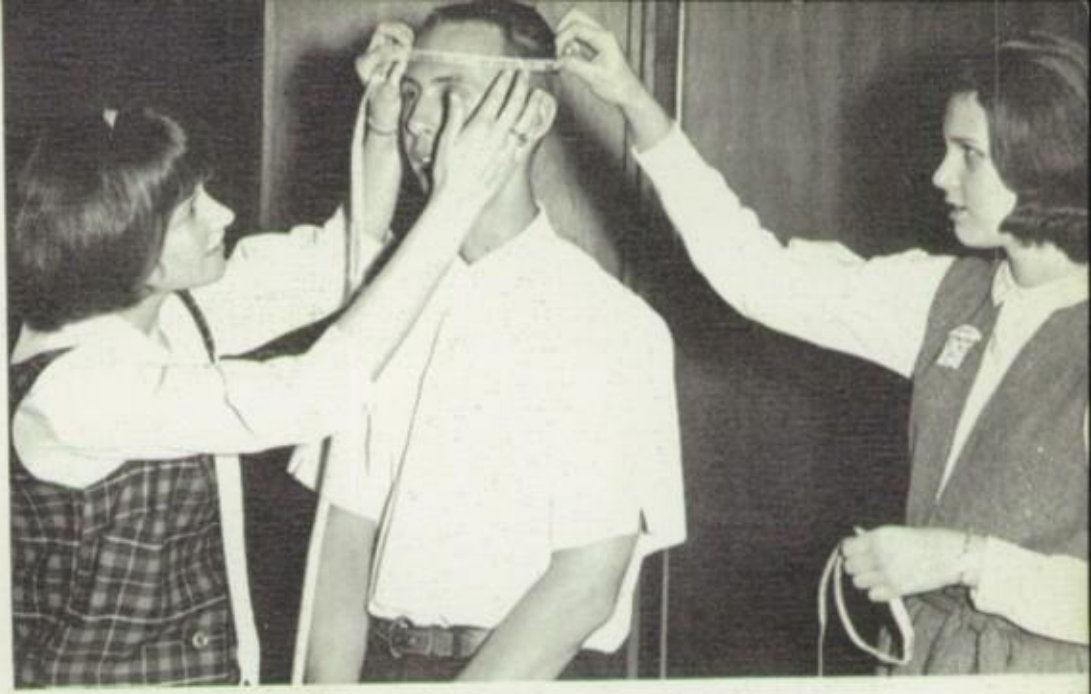

... reigning as Homecoming Queen ...

... GRADUATION!

In . . .

Mike O'Berry

An unfortunate automobile accident claimed the life of Mike O'Berry in December, 1964. Mike's warm personality and sincerity won the admiration and friendship of many of his associates.

The members of his graduating class are grateful for the opportunity of having known him during his short span of life. He will always hold a cherished position as a member of the Class of 1965.

. . . *Memoriam*

Freddy Stanley

A long and serious illness claimed the life of Freddy Stanley, a member of the graduating class of 1965, on April 1, 1965. Although he was not able to attend school regularly, his quiet demeanor was always in the minds of his friends. Freddy contributed a great deal to the activities of the Art Club. He was also co-chairman of the Prom Photography Committee.

His courage and determination will always be an inspiration to all those who had any association with him.

Teen Age Republicans

Seated: Matt Smith—president. Standing: Steve Parker—parliamentarian, Diane Decher—secretary, James Dixon—treasurer

With the entire nation in the midst of preparing itself for the Presidential election last November, a group of patriotic Wilsonites decided to form the first political organization within the school. This group later became known as the Teen-Age Republican Club of Wilson (TARS).

The old cliché, "Why should I get into politics! I can't even vote yet", was the cry of many WWHS students at the beginning of the campaign. However, this officially chartered group started the ball rolling by convincing many students that they had an express responsibility to their country, and that they could best fulfill this responsibility by being members of TARS. Matt Smith, president of the club, said, "All teen-agers should be afforded a voice in politics; they are given this opportunity as members of TARS."

Included among their many varied and noted accomplishments are the campaigning for, and winning of the student elections at Wilson and Churchland High Schools, and the holding of a rally where a well known Republican Congressional candidate spoke. The club aided the Portsmouth Republican Party in canvassing throughout the city.

Since the elections, the TARS have been constantly busy through attending various educational discussions and speeches. During the Republican State Convention held in Norfolk, the members served as messengers, and assisted in the maintenance of the meeting halls.

During the coming months the TARS plan to stay active by assisting their party in city and state elections.

WILSON 6 - CHURCHLAND 25

The Presidents were plagued with opening game jitters, an inexperienced backfield, and a porous defense as they opened the 1964 season before a crowd of 8,000. When the dust of the evening settled, Churchland emerged with an easy 25 - 6 win.

The Truckers tallied twice in the first quarter on short plunges by George Constantinides and Dwight Smith before Wilson was able to score in the second quarter. Butch Bisese completed passes to Scott Rhodes and Harvey James to penetrate deep into Churchland territory. Ronnie Baker, the only seasoned man in the Wilson backfield, carried into the end zone from two yards out, fumbled as he was hit, and freshman halfback Walter Tobler fell on the loose ball for the score.

Churchland got a big break on the last play of the first half as a result of a deflected pass that Jimmy Hawks gathered in on the Wilson 25, from where he went in for the score. Instead of just a one touchdown edge, the Truckers left the field with a 19 - 6 lead at the half.

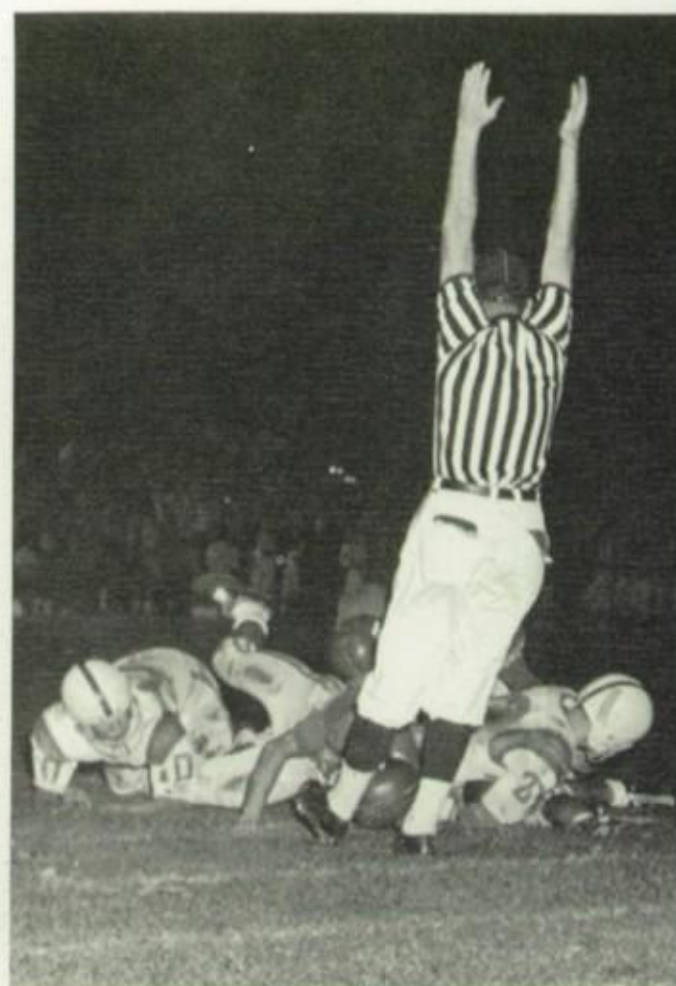

The third period found the Churchland eleven on the defense most of the time. The Prexies moved to the Trucker 14, but Bisese stumbled on a fourth down situation. They threatened again in the fourth period, moving this time to the 13 only to see James drop a Bisese pass in the end zone. In the final minute of play Constantinides intercepted a Wilson pass on the 34, and four plays later, shot around left end from the 15 to make the final score 25 - 6.

WILSON 6 - NEWPORT NEWS 6

A determined Wilson eleven rallied in the fourth quarter to tie the highly favored Typhoon from Newport News, 6 - 6, before 5,000 persons at Frank D. Lawrence Stadium. Neither team was able to keep its offensive attack moving, with untimely fumbles and pass interceptions spoiling several drives by each.

The scoreless first half saw neither team in control of the ball for more than eight plays on any one drive. Wilson threatened seriously in the second quarter, marching 64 yards to the Typhoon 8. Ronnie Baker's 30 yard dash on a quick opener, and Butch Biseese's gallop around right end for 12 yards highlighted the drive. Unfortunately, it was stalled by a delay-of-game penalty, followed by an interception of a Biseese pass.

After intermission Bill Brett recovered a fumble on the Prexie 46 the first time Wilson gained possession. Eight plays later, Garland Hudson hit paydirt from 11 yards out to put the Typhoon on the score board. Wilson came up with the equalizer in the fourth quarter when Biseese spotted Walter Tobler open in the end zone, and hit him with a perfect pass. The extra point try failed, and neither team threatened seriously after that.

The defensive unit looked like an entirely different one compared to the first game of the season. Standouts were J.B. Edwards, Chester Forrester, Butch Hodges - in fact - the entire unit must be credited with a well-played game.

WILSON 19 - NORVIEW 18

The first win of the season came at Chittum Field before a rain drenched crowd of 4,500 as Wilson downed Norview, 19 - 18. The Pilots scored first with 4:02 remaining in the first period, but the lead was only momentary, because on the ensuing kick-off, Ronnie Baker electrified the crowd by scampering 89 yards for a touchdown behind perfect blocking. The try for the extra point failed, and the quarter ended in a 6 - 6 tie.

In the second quarter, the Prexies looked like they were going to break the game wide open as they added two more six pointers. The second came as a result of a punt fumble recovered by Wayne Redmon on the Pilot 35. Twelve plays later Bobby Coleman plunged for the score from two yards out. The Presidents scored again three minutes later when Luther Blair blocked a punt which was recovered by Wilson on the 10. Sophomore David Mullins scored from the six, and Baker then added the all important extra point.

The rains came down during a scoreless third quarter in which neither team threatened. However, the fourth quarter made up for any lack of excitement as the Pilots came storming back on a 39 yard scamper into the end zone.

All the drama of the night was packed into the last two minutes of the game. A sustained drive carried the Pilots to the two yard line where a determined Prexie defense held for four downs, and the ball went over. On the first play the Presidents fumbled in the end zone, and Norview recovered for a score. The run for the tying point failed as the clock ran out.

WILSON 13 - OSCAR SMITH 7

Homecoming saw the Presidents rise to their greatest heights as they upset a highly favored Oscar Smith team that went on to win the District title. The 13 - 7 loss before 8,000 partisan fans was the only one suffered by the Tigers during the season.

Wilson took the opening kick-off and marched 81 yards for a score. The touchdown resulted from a Butch Bisese pass which was deflected into the hands of Walter Tobler in the end zone. Harvey James converted for a 7 - 0 lead. Oscar Smith threatened in the first quarter after David LeDoyen intercepted a pass. The Tigers moved from the Wilson 47 to the 7 where the drive stalled as the Prexie defense held. Buoyed by this turn of events, the Prexies initiated a march that wound up 93 yards away as Ronnie Baker plunged the last four yards to put Wilson ahead 13 - 0 at half time.

The Tigers recovered a fumble on their 46 early in the third quarter, and went on to score their only touchdown and extra point. The big scare came in the last minutes of the game when the Tigers, aided by a 15 yard penalty, moved from their 34 to the Wilson 12. Here they had a first down and one minute to play. At this point Bob Coleman and Luther Blair came up with key tackles that preserved the victory.

The upset victory of the year, and the crowning of the Homecoming Queen, Avenell Harrington, highlighted an evening that will long be remembered by the returning classes of 1938½ and 1939, who were this year's honored guests.

WILSON 6 - HAMPTON 12

Journeying to Darling Stadium for their second game away from home, the Prexies came up against a hard-hitting Hampton team that handed them the second loss of the season, 12 - 6. Wilson was able to move the ball well between the two twenty yard lines, but the Crabbers proved tough in close.

The first quarter was scoreless, and Wilson's best attack was hindered by a 15 yard clipping penalty on the Hampton 45. David McKnight scored the first Crabber touchdown on a one yard plunge in the second quarter. They threatened again, but fumbled on the Wilson three yard line. Their second touchdown was set up by a blocked punt on the Wilson 36, and was scored by Raymond Burton from two yards out.

Butch Bisese directed the Presidents to their only score late in the fourth quarter. The touchdown was the result of a ten yard pass to Harvey James who was wide open in the end zone. Penalties were the culprits all evening as far as the Prexies were concerned, stopping several potential drives. Wilson had 155 yards rushing to Hampton's 144. The Crabbers went 68 yards through the air as compared to 26 for the Presidents.

WILSON 13 - GREAT BRIDGE 13

In the first meeting ever between the two schools, Great Bridge came up with the key play in the last two minutes to salvage a 13 - 13 tie with the Presidents. The game, played at Great Bridge, started out as a defensive battle as neither team was able to score in the first period.

The second quarter saw each team score, the Wildcats on a 75 yard march that ended with Billy Phiels scoring from five yards out, and the Prexies on a long pass-run play. This was a beautifully executed pass from Butch Bisese to Harvey James, and covered 68 yards in all. The second Wilson score came in the third quarter which was completely dominated by the Prexies. They took the second half kick-off and marched 65 yards for the touchdown. The final two yards were covered by Walter Tobler and Bisese ran for the extra point.

The third and part of the fourth quarter saw the Wildcats lose the ball time after time as a result of fumbles, penalties and pass interceptions. They finally managed a sustained drive late in the game that carried them to the Wilson five yard line. Here, with less than two minutes to play, they went into a wide spread formation, and Phiels hit Lowry on a quick slant in pass for the score. Richard Unser then calmly booted the extra point for the tie.

Harvey James gathers in pass from Bisese for the only score against the Hampton Crabbers.

WILSON 7 - MAURY 13

The Presidents crossed the river for a visit to Foreman Field where they lost, to the Maury Commodores for the first time in three years. The score was 13 - 7.

Both teams were crippled considerably, with Wilson suiting up only 29 of 36 boys. The Prexie cause received another severe blow when Butch Bisese was shaken up late in the first half, and was lost for the rest of the game.

Wilson scored first as Walter Tobler, who took over for Bisese at quarterback, ran up the middle for 20 yards, and Harvey James converted to give Wilson a 7 - 0 lead at the quarter. In the second quarter, Maury scored after Dolly Madison recovered a Wilson fumble, Don Gibbs completed three passes, the last one to Madison covering the final five yards. Madison's kick failed.

In the third quarter the Presidents protected their 7 - 6 lead twice by stopping Maury at the goal line. But the situation changed when guard Joe Bilbo blocked Tobler's punt, and Bill Gearhart fell on the ball in the end zone. Madison's kick was good, and Maury went in front to stay.

The Prexies gained some momentum in the fourth quarter as they stormed to the Maury 29. Unfortunately, this last drive was stopped when the Commodores intercepted a pass. Individual standouts included Tobler, James, and Bob Coleman, as well as the entire defensive squad.

WILSON 14 - PRINCESS ANNE 7

While the game against the Cavaliers at Princess Anne did not have the significance of the 1963 meeting between the two teams, there was an interesting parallel. The Presidents went on to win by passing successfully from a fourth down, long yardage situation which called for a punt. The Cavaliers had done the same thing the previous year, and got away with the play to keep a touchdown drive alive. The Presidents went on to score what proved to be the winning touchdown.

Because of an injury to Butch Bisese, Walter Tobler took over the quarterback spot. He scored the first touchdown from two yards out, climaxing a march of 51 yards. Pete Sachon, the Cavalier who was the key man in the fake punt play the previous year, went the last 15 yards of a 93 yard drive to score for P.A.

The big play came in the third quarter with Wilson stalled on the Cavalier 48. From a fourth and seven situation and in punt formation. Tobler straightened up and passed to David Mullins for 29 yards and a first down on the P.A. 28. Ronnie Baker scampered 16 yards, Harvey James kicked the extra point, and that was the game, 14 - 7.

The Wilson defense throttled the enemy's ground game, except for the 93 yard drive. Richard Vincent, along with the rest of the defensive team, stood out, and Tobler sparkled all night at a position relatively new to him.

WILSON 14 - GRANBY 13

After four straight games away from the friendly confines of Lawrence Stadium, the Presidents returned to hand the visiting Granby Comets a 14 - 13 loss. The winning margin was the result of a 50 yard scoring dash by Butch Bisese, followed by Harvey James' successful conversion.

The first quarter was scoreless, with Wilson threatening by recovering a fumble on Granby's 35, only to lose the ball when a Bisese pass was intercepted. The first touchdown resulted from a 71 yard drive which was spearheaded by Bisese and Walter Tobler, who tallied from the two. James converted for the 7 - 0 lead. Granby retaliated with a drive of 59 yards which ended as Ron Hill gathered in a Buddy Watson pass in the end zone. The kick for the extra point failed.

The second Granby score resulted from a 23 yard pass from Brad Lowry to Hill. McWhorter kicked the point that put Granby in the lead, 13 - 7. It was after this score that Bisese came up with his 50 yard gem that won the game. Granby stormed back and reached the Wilson nine, but the Prexie defense, led by J.B. Edwards, Chester Forrester, and James, rose to the occasion. The Comets missed a field goal attempt as the game ended.

WILSON 6 - CRADOCK 6

For the first time in the eleven year history of the series with crosstown rival Cradock, the game ended in a 6 - 6 tie before a sparse home crowd at Lawrence Stadium.

The Admirals took the opening kick-off and marched to the Wilson two yard line, but the Prexie defense held. They then followed up with a 45 yard drive, kept alive by Johnny Griffin, Ralph Geabhart, Tom Dail, and Dennis Strickland, which ended when Geabhart passed to Dail in the end zone from the two. The extra point try failed. Cradock was in complete control during the first half. The Presidents did threaten early in the second quarter on a 35 yard run by Butch Bisese, but the march was stalled at the Admiral five.

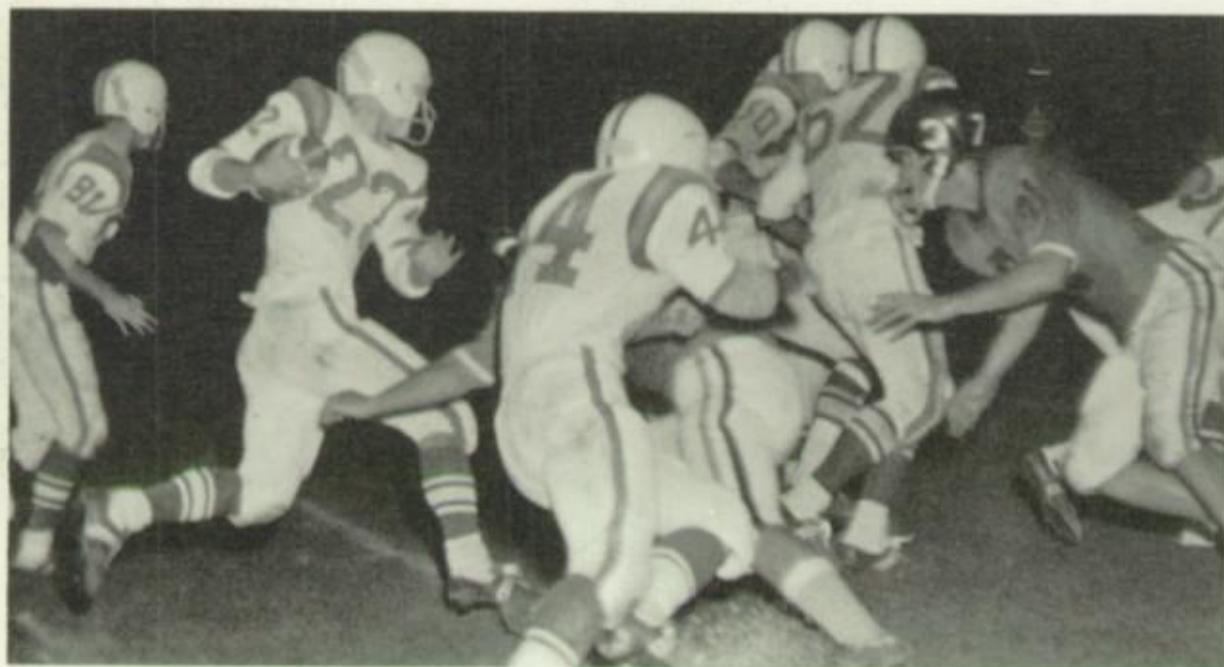

The big play of the game came after Dail intercepted a Bisese pass on the Admiral 26, and carried the pigskin to mid-field. On fourth down with nine seconds remaining in the first half, and the ball at the Prexie 26, Geabhart threw a wobbly pass in the flat. David Mullins, spotting the play perfectly, intercepted on the Wilson 27, and streaked 73 yards to tie the score. He gave the home crowd heart failure for a moment as he stumbled at mid-field, but he regained his stride, and went the rest of the way unmolested.

The final quarter saw each team threaten without success. Bisese and Walter Tobler led the rushers with 86 and 84 yards gained. The game was the finale for the following 12 seniors: Ronnie Baker, J.B. Edwards, Chester Forrester, Don Bradley, Harvey James, Scrappy Hughes, Mike Martin, John Nobrega, Jerry Peaks, Scott Rhodes, Wayne Redmon, and Richard Vincent.
